# catering general information

## **guarantees**

The final banquet attendance count must be given to the catering manager by 11:00 am, three business days prior to your event. This number is the guarantee and cannot be reduced. In the event that a guarantee is not provided three business days prior to your event, the estimated guest count on the function agreement will be the guaranteed number. Final charges are based on the guaranteed banquet attendance number, or the actual number of guests, whichever is greater. If more than one main entrée choice is to be served during your event, the exact count of each choice is due with the guarantee. Should the guarantee increase within 72 hours, there will be an additional charge of \$15.00 plus 9.5% sales tax and 21% service charge per added entrée.

## **overset**

For any group of 50 people or greater, we will overset the room by 5%, but not to exceed one table of 10 guests.

## **agreement, deposits and payments**

A non-refundable deposit and a signed contract will hold your reservation on a definite basis if returned by the specific date. ## **service charge & sales tax**

A 21% service charge and 9.5% state sales tax will be added to all food, beverage and audio/visual charges. California law states that the service charge, set up fees, bartender charges, and labor fees are subject to sales tax. All set up fees, for meeting without food and beverage, are subject to a 14% occupancy tax.

## **bartender fees**

A bartender fee of \$75.00 per hour (minimum of 2 hours) plus 9.5% sales tax will apply for the set up and staffing of all bars. Hotel Nikko San Francisco recommends one bartender per every 100 guests.
